**Harnessing the Power of Audits: Innovations in SAI-
civil society cooperation and audit follow-up**

Institutional Framework for SAI

Strengthening SAI-Civil Society Engagement

- Context and stakeholder analysis
- Civil society can advocate for SAIs to have the mandate and resources to operate
- Audit planning – including identifying topics, risks, indicators
- Audit Investigations – e.g. Citizen Participatory Audits, social audits adapted to the current context
- Audit Follow-up – civil society advocacy using audits and collective action on audit recommendations
